

Embroidery Escape with 4D!

Janie Lantz is coming again for an embroidery escape! We have two days of hands-on embroidery using elements from 4D, and demos and trunk show on Saturday. Join us for education that's fun!

All classes are 10 am to 4 pm (9:30 Setup Time) Light lunch included!

Thursday, June 17 (Hands-On, bring your computer)

Digitizing the Basics: What are the tools to use, and how do I use them? We'll cover making a design with the Wizard, how to edit design elements, creating a design from an image using Quick and FreeHand tools, and a bit about working with art to clean it up. Great for basic users or a refresher course!

Friday, June 18 (Hands-On, bring your computer)

Stitch Editor & Design Aligner: Tips and tools for cleaning up embroidery designs, creating larger designs, and splitting for smaller hoops. Stitch Editor does much more than you know!

Saturday, June 19 (Lecture & Demonstration Day)

Morning Software Demos:

Family Portrait: Making Memories Last!

4D QuiltDesign Creator: Embroider or Quilt on a Frame! Easy graphic clean-ups!

Afternoon Sewing and Machine Demos:

Sew Stylish Trunk Show

New Accessories and Feet – See what's fun to sew!

New Frame Quilting accessories
