****MACHINE SPECIALS****

Laura Ashley (Class Room Machines)
\$1000.00 OFF Regular Price.

The Laura Ashley Limited Edition Sewing Machine offers an exceptional range of features to delight do-it-yourself home decorators, such as 460 included sewing stitches (430 built-in, 30 on CD), an Automatic Height Adjuster™ AHA® Feature that detects varying fabric thicknesses while sewing to achieve perfectly uniform stitches, and a Pivot Feature to allow for easily managed corners the first time, every time. If 460 stitches isn't enough, use the exclusive Brother® My Custom Stitch™ Feature to create virtually an unlimited number of personalized stitches and save them to the machine's expansive memory. Use the three included feet to enjoy easy free-motion sewing, and simply attach the included extra-large quilting extension table to accommodate your largest projects. Exciting included accessories like the Circular Sewing Attachment and Bobbin Work Bundle both allow for beautiful embellishment on virtually every project imaginable.

*******JANOME COVERPRO*******

50% OFF While Supply Last

A coverstitch machine is essential for the sewist looking to achieve a professional finish. The CoverPro® 1000CPX's innovative design is based on the marriage of an industrial-style cover hem machine and a convenient home machine. The resulting union has produced a high-speed, long arm, heavy-duty cover hem machine that looks and operates like a sewing machine. With a wide trip cover hem stitch, exclusive free arm configuration, and Janome's Seam Tightening System™ (STS), the 1000CPX is the most advanced Cover Hem machine available.
